Wishes

4x2 is 8	I found a bottle by the old storm grate
4x3 is 12	I took it home to keep myself
4x4 is 16	I rubbed that bottle to make it clean
4x5 is 20	A genie slipped out so gently
4x6 is 24	He gave a yawn and one more snore
4x7 is 28	He said "Now don't procrastinate
4x8 is 32	I'm a Genie man, you know what to do
4x9 is 36	Now make a wish and get your kicks"
4x10 is 40	I said "Now don't you worry
4x11 is 44	I wish for many wishes more
4x12 is 48	An endless number would be great!"

Disastrous Dive

5x2 is 10	Let me tell you a tale again
5x3 is 15	Once there was a girl named Jean
5x4 is 20	She worked out good and plenty
5x5 is 25	She liked to swim, she liked to dive
5x6 is 30	She took a dive that left her hurting
5x7 is 35	She missed the pool and almost died
5x8 is 40	She broke her leg and it was gory
5x9 is 45	They called the doctor and he arrived
5x10 is 50	Her new pink cast was nifty
5x11 is 55	He said "You're lucky to be alive
5x12 is 60	Before you leap, look quickly"

Hungry Elf

6x2 is 12	In the forest lived some elves
6x3 is 18	They often hide and can't be seen
6x4 is 24	An elf heard his stomach roar
6x5 is 30	He was hungry, he was thirsty
6x6 is 36	A snack right now would be the fix
6x7 is 42	Or maybe chewing gum would do
6x8 is 48	He ventured down by the old town gate
6x9 is 54	He crept inside that General Store
6x10 is 60	He snuck some gum but it was tricky
6x11 is 66	He left some gold and then he split
6x12 is 72	If you were him what would you do?

9x6 is 54	They rattle on the basement door
9x7 is 63	The candles flicker, and it's real creepy
9x8 is 72	They jump out at you screaming "Boo!"
9x9 is 81	They think scaring folks is fun

9x12 is 108	If they never came back it would be great

Keeping Clean

10x2 is 20 Once there was a boy named Kenny
10x3 is 30 He liked to play and get real dirty
10x4 is 40 Staying clean was kind of boring
10x5 is 50 He jumped in mud and stomped with glee
10x6 is 60 He'd spill his juice and then was sticky
10x7 is 70 Food on his shirt was a guarantee
10x8 is 80 His mom was a neat and very clean lady
10x9 is 90 She said "So much laundry all the time
10x10 is 100 Your clothes are stained and torn to shreds
10x11 is 110 I'll have to wash and mend again
10x12 is 120 You're happy though, and that's the key"

Monster Picnic

11x2 is 22 Watch out or this could happen to you
11x3 is 33 This tale is still a mystery
11x4 is 44 Listen and I'll tell you more
11x5 is 55 It happened one hot day in July
11x6 is 66 A family went to the hills for a picnic
11x7 is 77 They heard a rumble again and again
11x8 is 88 The sound, it seemed to escalate
11x9 is 99 That should have been their warning sign
11x10 is 110 A monster sniffed the air and found them
11x11 is 121 He ate their picnic 'til it was done
11x12 is 132 I think he ate the people too

Hen House

12x2 is 24 A dozen hens sat on the floor
12x3 is 36 Their nests were made of straw and sticks
12x4 is 48 They seemed content to sit and wait
12x5 is 60 This is no job for moving quickly
12x6 is 72 The hens jumped up and all said "Ohh!"
12x7 is 84 There were eggs all over the floor
12x8 is 96 The hens were hoping for some chicks
12x9 is 108 They warmed those eggs to incubate
12x10 is 120 Weeks later there were chicks a plenty
12x11 is 132 A new generation, a whole new brood
12x12 is 144 A dozen eggs makes a dozen chicks more
